Weakening of SSI

†2025. SHRI P.K. MAHESHWARI: Will the Minister of SMALL SCALE INDUSTRIES be pleased to state:

(a) whether the Small Scale Industry of the country is weakening continuously;

(b) the annual investment made in this sector during the past five years, State-wise; and

(c) the steps being taken by Government to strengthen the infrastructure of Small Scale Industry?

THE MINISTER OF SMALL SCALE INDUSTRIES (SHRI MAHAVIR PRASAD): (a) No, Sir. The small scale industries (SSIs) sector has been growing continuously over the past years.

(b) The details showing the State-wise estimated fixed investment in the registered and unregistered SSIs as on March 31st, 2002 as per the "Third All India Census of Small Scale Industries 2001-2002" are given in Statement (See below).

(c) The development and promotion of SSIs is primarily the responsibility of the respective State Governments/Union Territory (UT) Administrations. The Central Government, however, supports and supplements the efforts of the State Governments/UT Administrations through various schemes/ programmes relating to credit, infrastructural development, technology upgradation, marketing, entrepreneurial development, etc. Central Government implements the Integrated Infrastructural Development (IID) Scheme under which IID centres are established where SSI entrepreneurs are provided with developed land, power and water supply and other infrastructural facilities. Based on proposals received from States, etc., Government has so far sanctioned 108 IID Centres, including 21 Centres for upgradation of infrastructure in the existing industrial estates in various States. Central grant of Rs. 90.88 crore has been released to the implementing agencies concerned for setting up/upgradation of these IID Centres.

†Original notice of the question was received in Hindi.

Statement

State-wise estimated fixed investment in SSI Sector in the year 2001-02

Sl.No.	State	Fixed Investment (Rs. crore)
